

# SAFEGUARDING NIGHTLIFE

Accreditation Eligibility

## Accreditation Eligibility

\*This policy will refer to any organisation, company, business, partnership, sole trader, or any people/person who applies for accreditation as '**Companies**'.

- Companies must operate during nighttime hours (e.g., 6pm to 6am).
- Companies must have a commitment to promoting safety and well-being for both employees and customers.
- Companies must have a demonstrated history of responsible business practices.
- Companies must be in good standing with all relevant regulatory bodies.
- Companies must agree to participate in regular assessments to monitor progress and adherence to program standards.
- Companies must be willing to share best practices and collaborate with other program participants.
- Companies must be willing to provide resources for training and development for employees.
- Companies must take an active role in promoting the NightSafe Champion Program to others in the industry and encourage their peers to join the program.
- Companies must adhere to all program guidelines and standards at all times, and be willing to make any necessary changes to ensure continued compliance.
- Any Companies found to be in violation of the program guidelines may be subject to removal from the NightSafe Champion Program.
